FBIS

SUBJECT: Future Relations between FBIS and BBC Monitoring Service and Request from British Radio Equipment Manufacturers' Association.

1st Ind.

Office of Assistant Director for Collection and Dissemination, 1 October 1946

TO: Collection Branch

1. The "detailed data and reports" referred to in paragraph 3 above is considered to be the substance of subparagraphs 1 b and 1 c of your UF of 9/20/46. Please take necessary action to procure the proposed data from FBIS. If the securing of data under your paragraph 1 b, or under the latter half of your paragraph 1 c, raises problems outside the scope of present FBIS contacts, please submit appropriate recommendations to this office.

2. Suspense date for informal progress check will be 15 October.
